BANKERS ASSOCIATION

PENNSYLVANIA BANKERS ASSOCIATION

Junior Achievement

The Pennsylvania Bankers Association (PBA) is dedicated to expanding financial literacy through out the state, in conjunction with **Junior Achievement (JA)**, **ABA Education Foundation**, and the **PBA Retired Banker Program**.

PBA and Junior Achievement are dedicated to expanding financial literacy throughout the Commonwealth. Learn how you can participate...

Junior Achievement is the world's largest organization dedicated to educating students. Junior Achievement offers financial literacy programs to students in grades K-12 to help teach the key concepts of earning, saving and spending money, and how it relates to the global economy. In today's economic times, it's essential our youth are given the tools to succeed in a global economy. These skills empower them to create a better tomorrow for themselves, their family and their communities.

The PBA and JA cooperative program offers PBA Member Banks an opportunity to participate with their local Junior Achievement in supporting one of the programs used. The support will include financial and volunteer involvement.

Invest in the Life of a Child...

• **Elementary School**

“Our City”

Five Sessions covering career exploration and how business contributes to the city.

• **Middle School**

“Economics For Success”

Five Sessions covering personal finance, education, careers, interests and values.

• **High School**

“Banks in Action”

Seven sessions covering history of banking and possible career paths in banking.

PBA will assist with marketing, bank recognition and identifying Junior Achievement offices for member volunteers to contact.

• **Value of Investment**

Community Involvement • Positive PR • CRA Credit
By teaching students about earning, saving and investing, banks are creating well-educated future customers!

For more information visit www.pabanker.com.

How To Participate:

Serve as a sponsor, give your time, and volunteer to dramatically increase the number of students reached through the cooperative efforts of your institution, JA & PBA.

Contact:

Kimberly T. Ramberger, Assistant Vice President Member Relations Officer, 3697 North Front Street, Harrisburg, PA 17110, (717) 255-6928, kramberger@pabanker.com

The purpose of Junior Achievement is to educate and inspire young people to value free enterprise, business and economics to improve the quality of their lives.
