Grease at the THEATRE

Date: April 24

Time: 2:00pm

DESCRIPTION:

Nominated for 2008 Tony Award for Best Revival of a Musical

The producers are pleased to announce Ace Young has joined the tour as Danny. Ace Young made his Broadway debut in GREASE in the role of "Kenickie" last fall. An "American Idol" finalist in Season 5 and a Grammy nominated songwriter, Ace has guest-starred on Fox's "Bones," co-hosted "American Idol Extra" and co-produced his debut album, Ace Young.

"American Idol" Season 5 winner Taylor Hicks continues to star as "Teen Angel." Taylor Hicks made his debut on Broadway in the role. He achieved widespread fame in 2006 as a contestant on the hugely successful FOX singing competition "American Idol."

After spending a hopelessly devoted summer with Sandy Dumbrowski, the new girl in town, Danny Zuko's world is thrown upside down when Sandy appears at Rydell High on the first day of school. What follows is a rock n' roll celebration of growin' up, cruisin' with friends and goin' steady. The new production of GREASE features songs from the smash hit 1978 motion picture for the first time ever in a Broadway production including "Sandy," the Academy Award nominated song "Hopelessly Devoted to You," "Grease" and "You're the One That I Want" - both of which were #1 hits on the Billboard Top 100 list. These songs will be heard in addition to the Jacobs/Casey songs made famous by the original stage production: "Summer Nights," "Greased Lightnin'" and "We Go Together."

Please note: Ace Young will not be in the performances on Thursday, Friday, or Saturday.
