**PA Bankers Association's Statement on Senator Don White's Public Service**

By: Duncan Campbell, President & CEO, PA Bankers Association

"Upon hearing the news of his impending resignation earlier this week, the Pennsylvania Bankers Association (PA Bankers) offers Senator Don White (R - Indiana) our immense appreciation for his five terms of public service in the Pennsylvania Senate.

As chairman of the Senate Banking and Insurance Committee, Senator White was a tremendous supporter and champion for the banking industry in Pennsylvania. In addition, his commitment to economic development, as well as his work on crucial industry initiatives throughout his career, has allowed Pennsylvania's banks to more effectively serve their customers and support their local communities.

We at PA Bankers truly enjoyed working with Senator White, and on behalf of our members, we wish him all the best in retirement."

*The Pennsylvania Bankers Association, located in Harrisburg, is the state's leading banking trade association representing an expansive and diverse membership. The association offers extensive continuing education programs and government relations representation on behalf of the industry and provides numerous products and services for banks and their employees.*
